

The Kia EV5

Created to break barriers.

Movement that inspires

Movement that inspires.

We believe in movement that inspires.

The Kia EV5 has arrived to enrich the everyday. Its spacious and versatile cabin provides meaningful solutions for large families, while offering a luxurious interior, intuitive technology, Advanced Driver Assistance Systems, and a progressive exterior. Not only does the Kia EV5 break barriers across design, practicality and comfort, it's a statement of our relentless mindset to create movement that's grounded in purpose.

Exterior

Make your presence known.

Distinctive and dynamic

Uniquely designed 'Star Map' light signature headlamps, along with a new EV 'Tiger Face', break barriers of traditional EV design.

Strong and rugged profile

Flush door handles reduce drag coefficient, and a three-dimensional side garnish reinforces the Kia EV5's solid stance, while an extended D-pillar enhances its interior spaciousness.

Driver Assistance & Safety

Made for your protection.

Made for your protection.

Equipped with advanced driver assistance features, the EV5 is built to make every journey safer and more enjoyable. Anti-collision Assistance detects risks before they occur. The Highway assistant keeps you safe at higher speeds. And the parking assistant makes parking easier.

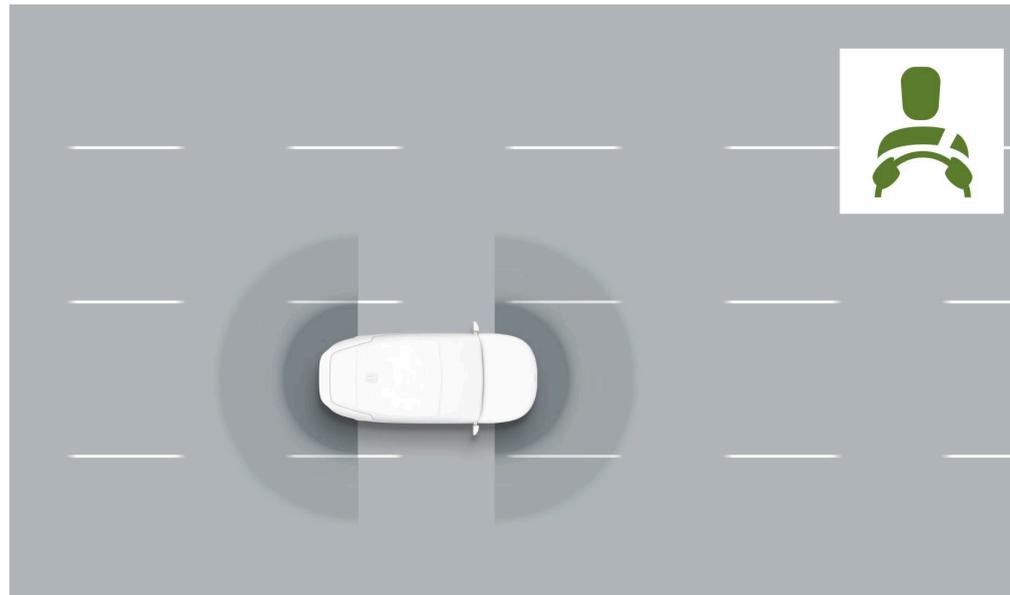

Blind-Spot Collision-Avoidance Assist.

When you signal a lane change, you are warned if a risk of collision is detected with a vehicle beside you or approaching from the rear. The system even interacts with your steering if the risk increases. Blind-Spot Collision-Avoidance Assist also watches out for you when pulling out of parallel parking spaces, warning you about oncoming traffic behind you.

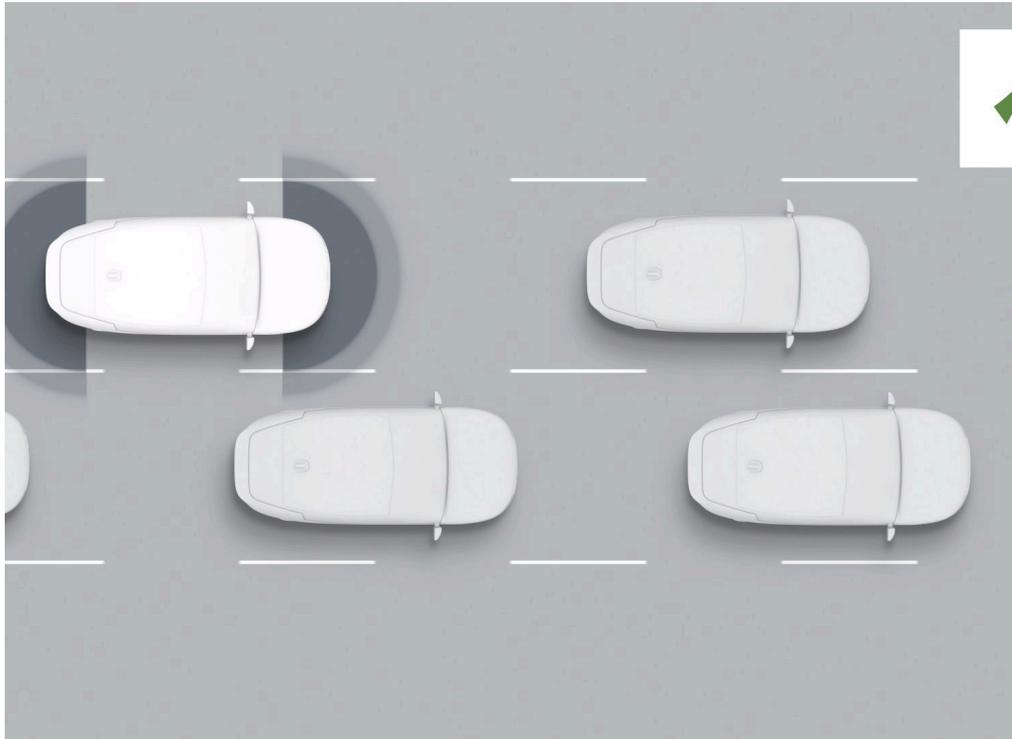

Forward Collision-Avoidance Assist 2.0.

FCA 2.0 gives you added peace of mind and helps you to avoid any potential collisions with pedestrians, cyclists and other cars on the road. If you are not applying the brakes hard enough to avoid collision, your EV3 will do it automatically. This technology also helps you avoid collisions with an oncoming vehicle while turning at an intersection or crossing it, as well as in other driving scenarios.

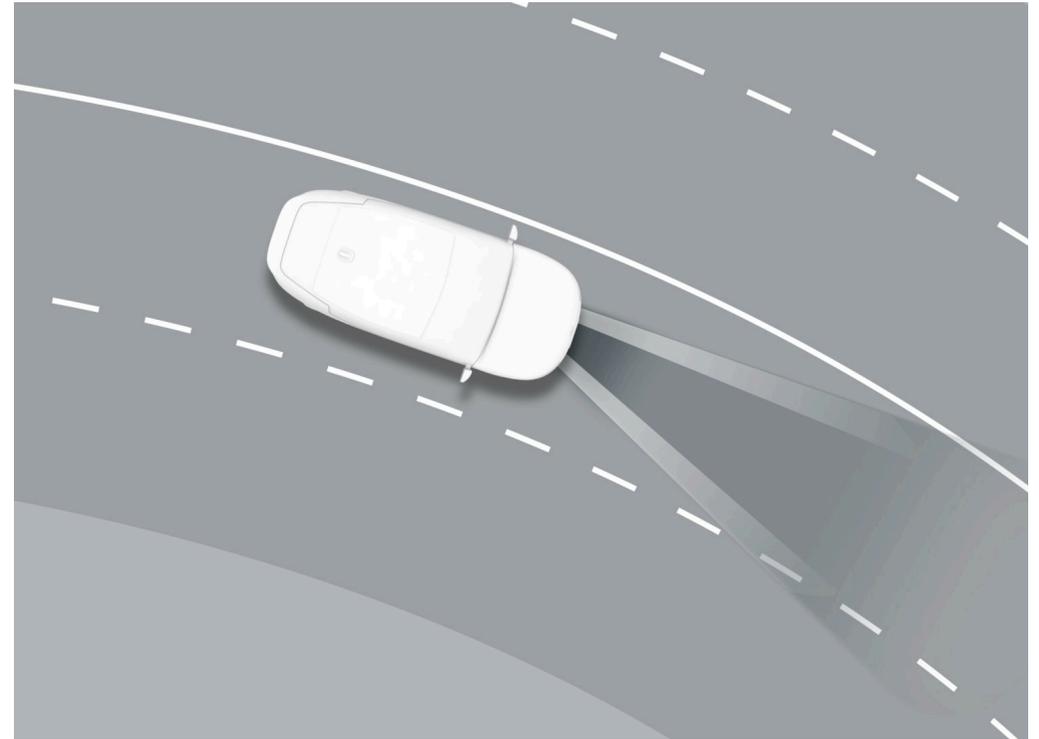

Smart Cruise Control 2.

This technology helps to maintain a safe speed according to road conditions while driving on a motorway. It automatically reduces the speed in sections of motorways with tight curves, in order to keep the driver and passengers safe. And it resumes acceleration to pre-set levels thereafter.

Highway Driving Assist 2 with Hands-On Detection. HDA 2 with HoD automatically adapts your target speed to meet the limit, while keeping you at a safe distance from the vehicle ahead. The upgraded hands-on detection sensors on the steering wheel detect whether you are touching it, even without movement. HDA 2 is even capable of changing lane automatically when you use the side indicator.

Lane Following Assist monitors the lane markings and/or vehicles in front on the road, and assists your steering if necessary to help your EV5 centered in its lane. This also features Hands-On Detection (HoD) sensor, which detects if you let go of the steering wheel for several seconds and activates a warning signal to remind you to place your hands back on.

EV5 Key Features

Earth 2 as standard:

- 18" alloys
- Vegan Leather & Fabric Seats
- Blind-spot Collision Avoidance Assist - Rear
- Driver Power Adjustable Seats with Lumbar Support
- Forward & Reverse Parking Sensors
- Forward Collision Avoidance Assist 1.5
- Heat Pump
- LED MFR Headlights
- Over-the-Air Updates
- Power Adjustable Tailgate
- Wireless CarPlay & Android Auto

Earth 3 adds on:

- 19" alloys
- Vegan Leather Seats
- Cabin Ambient Mood Lighting
- Driver Memory Seat
- Dynamic Welcome Lights - Front & Rear
- Front Passenger Power Adjustable Seats
- LED Wide Projection Headlights
- Nexen Tyres
- Rear Seat 3-Pin Socket
- Vehicle-2-Everything
- Ventilated Front Seats

GT-line adds on:

- Vegan Leather Seats - Two-tone
- Digital Key 2.0 with Fingerprint Recognition
- Driver Head-up Display
- Driver Door LED Personal Light
- Driver Seat Massage Function
- Deluxe Door Scuff Plate
- Forward Collision Avoidance Assist 2
- Glass Panoramic Sunroof
- GT-line exterior & interior styling
- LED Driver Door Personal Light
- Metal Floor Pedals
- Premium Relaxation Seats
- V2L Adapter

Make it yours.

Warranty & Maintenance

Service Intervals & Plans

A warranty with peace of mind

Now there are even more reasons to buy a stylish, technology packed Kia. Peace of mind comes as standard when you join the Kia family with great owner benefits when you buy your Kia.

There are a lot of things to consider when buying a new car. Compromising on reliability in the long term shouldn't be one of them. That's why Kia have redefined quality and offers a unique, industry-leading 7 year warranty and 8-year battery pack warranty on all EV, plug-in hybrid & hybrid models.

Kia Charge gives you access to the majority of public charging infrastructure in Ireland and across Europe. It lets you locate stations, plan journeys, charge and pay, all with one solution.

Our 24/7 Roadside Assistance package is designed for Kia owners in partnership with the AA Ireland. All new cars have complimentary cover for 3 years (36 months) from the first date of registration, giving you the highest level of cover provided by the AA, including onward travel and European cover.

Connectivity with Kia Connect & Over-the-Air Updates. Kia Connect is our range of connected services both in-car and through the Kia Connect mobile app. Over-the-Air Updates keep your infotainment system up to date using your Kia's mobile data connection.

Service Plans & Benefits

Service Plan	No. of monthly payments	Monthly price	Total price
2 Services	20	€29.48	€585.00
3 Services	30	€28.79	€865.00
4 Services	40	€29.11	€1,165.00
5 Services	50	€28.75	€1,435.00

Transparent and flexible, for your convenience.

For your comfort, you can acquire your prepaid maintenance at any Kia dealer of your choice, easily financed within your monthly vehicle payment or separately. Each plan has flexibility with a transparent choice between various time periods and mileage to fit your lifestyle.

Transferable plans, for all Kia models.

If you upgrade to a new Kia you can easily transfer your old plan to the next owner. And for your convenience, you can have the service performed at any Kia dealer.

Personalised Maintenance with Trained Technicians

The plan is customized to your vehicle's maintenance schedule, and labor and parts are included. All services are performed by Kia certified technicians with Kia genuine parts, for no surprises when you're on the road.
