

MG ZS

THE MG ZS HYBRID+

HAVE IT ALL

With a perfect blend of advanced technology, spacious design, and a refined driving experience, the MG ZS has it all.

The evolution of MG's compact SUV, the MG ZS features a unique new exterior and comes loaded with technology. With the Hybrid+ powertrain, MG ZS offers us the best of both worlds.

Packed with features for a smarter drive

The MG ZS comes loaded with intelligent technology, including the MG Pilot Safety Systems and MG iSMART app connectivity, ensuring every drive is as connected and safe as possible.

With its smooth performance, stylish design, low running costs, and spacious interior, the MG ZS delivers a complete package that's hard to beat. Plus, it all comes with the reassurance of our 7-year warranty.

A smooth drive, smart design, agile looks ... now you really can have it all.

MADE TO GIVE YOU MORE

Everything about the new MG ZS is designed to make each journey a joy.

Practical comfort

The new MG ZS gives you plenty of room to breathe. With a stylish and contemporary cabin, and up to 1,457 litres of boot space, it has more room for your family, luggage, or a set of golf clubs. Perfect for day-to-day living or a trip up the motorway for a well-earned break.

Effortless performance

The innovative engine within the Hybrid+ model works seamlessly to give low fuel consumption, low CO₂ emissions and class-leading power and performance. Not to mention a quiet, comfortable drive every time.

Advanced technology

The MG ZS is loaded with intelligent technology to enhance your driving experience. Be safer with the latest MG Pilot driver assistance, be informed with MG iSMART, and be in total control with the upgraded 12.3" touchscreen.

A BOLD NEW LOOK

The bold new styling of the new MG ZS builds on the distinctive new design language of the MG3 and the MG HS range.

The flawless lines and long wheelbase create an air of effortless confidence. The wider front grille, rear spoiler and slim LED headlamps add bold aesthetic flourishes.

Meanwhile, the elegantly balanced body rests on 18* alloy wheels, designed to enhance aerodynamics as well as looks.

A MORE REFINED INTERIOR

Discover the refined interior of the MG ZS

Inside the sleek profile of the MG ZS, you'll discover intelligently crafted new features - such as the wing style drive selector and a heated steering wheel*.

At the heart of the sophisticated interior are leather-style heated front seats that give you 6-way electric adjustability*. You're also surrounded by high-gloss panels and chrome detailing, while the multi-functional soft-touch steering wheel invites you to take control.

*For full specification per version, please refer to technical specifications at the rear of this brochure.

PLENTY OF STORAGE

Family breaks and other long journeys are now even more enjoyable with the exceptional boot space of the MG ZS.

Open the boot and you have 443 litres of space, increasing to a total of 1,457 litres with the rear seats folded. Ideal for the weekly shop, family luggage, or even a mountain bike.

All this comes with smart storage solutions throughout the cabin. Including an adjustable cup holder and an armrest tray at the front that both flex for the perfect fit.

A WORLD OF TECHNOLOGY

Technology is smartest when it puts people at its centre. In the MG ZS, you'll find all the controls and information you need at your fingertips.

12.3" screen

The hub of your intelligent cabin is a new 12.3" HD infotainment screen. With an intuitive design, you can access everything from sat-nav directions to your favourite music while driving safely. Apple CarPlay™, Android Auto™, Bluetooth, DAB radio and more...it's all there with a tap.

360° camera*

Parking spots and narrow streets are no hassle with four HD wide cameras to give you an all-round view. Meanwhile, ultrasonic radar warns you about obstructions, and Dynamic Reversing Assist helps you park at the perfect angle.

*Available on MG ZS Hybrid+ Exclusive.

**Available on Excite and Exclusive.

7" display**

The highly intuitive 7" HD virtual cluster displays clear, concise driving information – and enables you to switch between 3 driving modes - while making it easy to control your phone, music and other infotainment.

Apple CarPlay™ and Android Auto™

Apple CarPlay™ and Android Auto™ in the MG ZS effortlessly connects your smartphone to the vehicle. Enjoy convenient access to navigation, music, news, and weather, all through the MG ZS interface designed to deliver a smooth and responsive experience making every drive enjoyable and safe.

SMARTER HYBRID POWER

The new MG ZS Hybrid+ brings together leading engine technologies to deliver best-in-class performance and exceptional fuel economy.

The advanced hybrid powertrain gives you five operating levels which switch automatically for optimum performance depending on your journey. Whether you're on the school run or heading out-of-town for the weekend, your engine adapts to give you an effortless drive every time.

Better for the environment and your running costs

In the MG ZS Hybrid+, you'll shrink your carbon footprint by using fewer fossil fuels - and create zero tailpipe emissions in fully electric mode. You'll spend less money at the pump too. And lower emissions mean you also spend less money on road tax, compared to conventional petrol and diesel cars.

DRIVING WITH A BIG PLUS

Here's how our advanced
Hybrid+ system gives
you a better drive on
so many levels.

Performance

The 100kW electric motor and 75kW combustion engine deliver more power as well as seamless electric torque at city speeds, perfect for school runs. Giving you ultra-refined performance without having a negative impact on fuel economy and emissions.

Low emissions

With just 115g/km of CO₂, your emissions are far lower than a comparable petrol car – and you could save on tax. The MG ZS Hybrid+ also keeps things low when it comes to running costs, with combined fuel consumption of 5.1L/100km.

Ultra-efficient

The MG ZS Hybrid+ is designed to leave the rest behind. It's one of the most efficient hybrid models in its class, thanks to the quick-response motor and 3-speed hybrid transmission.

Smooth

The MG ZS Hybrid+ gives you the instant response and effortless acceleration of a fully electric vehicle. Thanks to the high-capacity 1.83kWh battery, you can feel more EV more of the time. When it comes to town driving, for example, being in EV mode transforms stop-start traffic into a smooth, stress-free experience.
